Camp meals are usually table service *Nairobi to Masai Mara* with a set menu: breakfast before the morning drive, a late lunch, and dinner after sunset. Bush breakfasts and sundowners are standard on full day drives.

Vegetarian, vegan, gluten free and halal requirements are normally accommodated with advance notice. Remote camps stock from Nairobi, so late requests are difficult.

Drink bottled or filtered water. Most camps provide filtered water in refillable bottles. Alcohol is often included in luxury rates and charged separately at budget camps. Tell your operator about allergies at booking, not on arrival. Dietary notes are at %LINK%.
