The Rice Purity Test has exactly 100 statements, each one an purity test unspoken "Have you ever...". They follow a rough order.

- **Romance:** first dates, kisses and relationships.
- **Small rebellions:** missing curfew or sneaking out.
- **Substances:** drinking, smoking and more.
- **Physical relationships:** the longest and most private block.
- **The law:** trouble at school or with police.

Given the adult topics, the standard version is not meant for children. You can read every question first before you decide to start, and you can always stop partway.
