

Gemstar Detailing's technicians are trained and insured, giving Boise customers confidence and protection when welcoming a mobile detailing team to their home or workplace. This insured status matters particularly for a mobile service, where technicians work directly at a customer's property rather than within a controlled shop environment. Working with insured technicians provides financial protection in the rare event that something **auto detailing** goes wrong during a detailing appointment.

Gemstar Auto Detailing Mobile Detail Boise | 880 E Franklin Rd Suite 306, Meridian, ID 83642 | (208) 971-4652

Boise customers researching mobile detailing options are encouraged to specifically confirm insurance status, a detail Gemstar addresses transparently. For insured mobile detailing technicians in Boise, call Gemstar Detailing at (208) 971-4652.
