What is Big Bass Crash?

At its core, *Big Bass Crash* is a social multiplayer crash game. Unlike a standard slot machine where gamers push a button and wait for the reels to stop, *Big Bass Crash* puts control straight into the gamer's hands.

The style remains faithful to the iconic fishing visual. Gamers enjoy a fisherman set sail on his boat, casting his internet into the water. As the net descends, a multiplier begins to tick upward-- starting at 1.00 x and climbing greater by the 2nd. The objective is basic: money out your payouts before the net gets snagged, the line breaks, or the boat crashes. If you squander in time, you increase your stake. If you wait too long and the crash occurs, the bet is lost.
