Rare CS: GO Cases: A Comprehensive Guide for Collectors and Investors

This guide explores what makes a case "rare," lists the most sought-after choices, provides an in-depth contrast table, and responses typical questions for both collectors and prospective investors.

2. **Exclusivity**-- Certain cases were only offered during particular occasions, operations, or limited-time promotions. When the event concluded, the case could no longer be acquired through typical gameplay, turning it into a collector's product.
