FAQ About Dumpster Rental

What size dumpster do I need for a garage cleanout?

For a garage cleanout, a 10 to 15 cubic yard dumpster is typically sufficient. It provides enough space for large items like old furniture, bicycles, and debris without being overly large. Consider your specific items and the volume they will occupy to determine the best size.

How much does dumpster rental cost in Denver?

In Denver, dumpster rental costs typically range from $300 to $600, depending on the size, rental duration, and type of waste. Additional fees may apply for exceeding weight limits or specific disposal requirements, so it's important to ask for a detailed quote.

What can you put in a dumpster?

You can generally put household debris, construction materials, yard waste, and furniture in a dumpster. However, hazardous materials like batteries, chemicals, and electronics are not allowed. Always check with your rental company for a complete list of prohibited items.

How long can I keep a rented dumpster?

Most dumpster rental companies in Denver allow you to keep a rented dumpster for about 7 to 14 days. However, this can vary based on your agreement. If you need more time, discuss options with your provider to avoid late fees.

Do I need a permit for a dumpster in Denver?

Yes, if you plan to place the dumpster on a public street or sidewalk, a permit is usually required in Denver. Check with the local authorities for specific regulations and requirements to ensure compliance before renting a dumpster.
