FAQ About Dumpster Rental

What is the average cost of dumpster rental in Milwaukee?

The average cost of dumpster rental in Milwaukee typically ranges from \$300 to \$600, depending on the size of the dumpster and the rental duration. Additional fees may apply for weight overages or extended rental periods, so it's advisable to compare quotes from different providers.

How long can I keep a dumpster rented?

Most dumpster rental companies in Milwaukee allow you to keep the dumpster for about 5 to 7 days. However, some companies offer flexible rental periods, and you can usually request an extension for an additional fee if you need more time.

What size dumpster do I need for a home renovation?

For home renovations in Milwaukee, a 10 to 20-yard dumpster is generally recommended. A 10-yard dumpster is suitable for small projects, while a 20-yard dumpster can accommodate larger renovations, such as multiple rooms or significant debris.

Are permits required for dumpster rental in Milwaukee?

Yes, in some cases, a permit may be required for a dumpster rental in Milwaukee, especially if it will be placed on a public street or sidewalk. It's essential to check with the local regulations and your rental company for specific requirements.

Can I toss hazardous materials in a rented dumpster?

No, hazardous materials such as chemicals, batteries, and certain electronics cannot be disposed of in a rented dumpster. Milwaukee regulations prohibit these items to ensure safety and environmental protection, so check with your rental provider for proper disposal options.
