FAQ About Dumpster Rental

How long can you keep a rented dumpster?

Most dumpster rental companies in Fresno allow you to keep a rented dumpster for 7 to 10 days. However, you can often extend the rental period for an additional fee. It's important to clarify this with the rental company at the time of booking.

What size dumpster do I need for a home renovation project?

For a home renovation project in Fresno, a 10 to 20-yard dumpster is usually adequate. A 10-yard dumpster is suitable for smaller projects, while a 20-yard dumpster can handle larger renovations. Assess your project's scope to choose the right size.

What items are prohibited in a dumpster rental?

Prohibited items in dumpster rentals typically include hazardous materials, tires, appliances, and electronics. Each dumpster rental company in Fresno may have specific restrictions, so it's essential to check their guidelines to avoid extra fees or penalties.

Do I need a permit for a dumpster rental in Fresno, CA?

In Fresno, a permit may be required for dumpster rentals placed on public streets or sidewalks. However, if the dumpster is placed on private property, a permit is generally not needed. It's best to consult with your rental company to determine if a permit is necessary for your situation.

How to Prepare for Your Dumpster Rental

Preparation is key when it comes to renting a dumpster in Fresno. Before your dumpster arrives, ensure that you have a designated area for it, preferably on a flat surface, and free from obstructions. If you're planning to place it on a public street or sidewalk, you may need to obtain a permit from the city. Frontline Dumpster Rental can help with information about local regulations to ensure you avoid fines and delays. Remember to also sort your waste properly, separating out hazardous materials, as we are unable to accept items like chemicals, paints, and certain electronics.
