Eco-Friendly Practices in Knoxville Waste Management

What size dumpster do I need for a home renovation?

For a home renovation project, a 10 to 20-yard dumpster is typically recommended in Knoxville. This size can accommodate bulky items such as furniture, cabinets, and construction debris, depending on the scale of the renovation.

Are permits required for dumpster rental in Knoxville?

Yes, in Knoxville, a permit may be necessary if you plan to place the dumpster on public property or a street. It's important to check with local regulations before renting to ensure compliance.

What items are prohibited in a rented dumpster?

Prohibited items in a rented dumpster in Knoxville usually include hazardous materials like chemicals, batteries, and appliances containing Freon. It's advisable to check with your rental company for a complete list of restricted items.
