What is Avia Masters?

Avia Masters is a modern, aviation-themed multiplier game developed by BGaming. Unlike traditional slots where outcomes are identified exclusively by static paylines, Avia Masters puts the player in the pilot's seat of a high-flying aircraft.

As the plane rises into the stratosphere, a multiplier increases in real-time. The objective is simple yet thrilling: cash out your earnings before the airplane lacks fuel, blows up, or flies away. If the airplane crashes before a cash-out is performed, the stake is lost. This blend of thriller, speed, and real-money stakes has made it a favorite amongst thrill-seekers.
