

If you're a homeowner or contractor working on a remodel, roofing project, or general cleanout in the Kempsville area of Virginia Beach, you've probably asked yourself: **"Where can I find reliable dumpster rental near Kempsville?"** Especially when you want up-front pricing, fast delivery, and solid customer service without the guesswork. That's where **D.E.M.M. DUMPSTERS LLC** comes in, proudly serving Kempsville and much of the Virginia Beach service area with roll-off dumpsters that keep your project moving smoothly.

Does D.E.M.M. DUMPSTERS LLC Cover Kempsville and Nearby Areas?

The short answer: **yes**. D.E.M.M. DUMPSTERS LLC services Kempsville directly and covers a broad radius, including locations within 20 miles of Chesapeake. This means whether you're located in Kempsville, North Kempsville, or any nearby neighborhood in Virginia Beach, you can get a dumpster delivered quickly.

Since Kempsville is a bustling community within the Virginia Beach service area, you benefit from D.E.M.M.'s fast delivery roll off dumpsters — often same-day or next-day, depending on availability. This speed is crucial for keeping your worksite efficient and minimizing downtime waiting on waste removal.

Upfront Pricing With No Hidden Fees

One thing that sets D.E.M.M. DUMPSTERS LLC apart in the Kempsville area is their transparent pricing model. While some dumpster rental companies might surprise you with unexpected fees after booking, D.E.M.M. prides itself on straightforward pricing so you know the exact cost before you commit.

Example Pricing For 10-Yard Dumpster

Rental Period Price 3 Days\$349 7 Days\$399 14 Days\$469

These rates cover delivery, pickup, and disposal fees, up to the included weight allowance. If you need a little extra weight, overage charges apply per pound — but those costs are clearly spelled out at booking, so no surprises.

Choosing The Right Size Dumpster Near Kempsville: 10, 15, or 20 Yards?

Deciding on the correct dumpster size can be tricky if you're not sure how much debris you'll generate. D.E.M.M. DUMPSTERS LLC offers three popular roll-off dumpster sizes suited for Kempsville projects: 10, 15, and 20 yards.

- **10-Yard Dumpster:** Ideal for smaller projects like home cleanouts, minor roofing jobs, or small-scale remodel debris.
- **15-Yard Dumpster:** A good middle ground if you're tackling a moderate remodel or a medium-sized roofing replacement.
- **20-Yard Dumpster:** Perfect for larger jobs or when you want the space to avoid multiple swap-outs; often chosen for whole-house renovations or major roofing and siding projects.

If you're unsure which size fits your Kempsville project best, the friendly team at D.E.M.M. DUMPSTERS LLC can help you decide. Just give them a call or use the convenient online booking tool.

Fast Delivery Roll Off Dumpsters: Same-Day or Next-Day When Available

Project timelines can change on a dime, and that's demmdumpsters.com why D.E.M.M. DUMPSTERS LLC emphasizes responsiveness for customers in Kempsville and nearby Virginia Beach communities. When you call or book online early in the day, they often can arrange for same-day delivery — or next-day if same-day is unavailable.

This quick turnaround is a significant advantage if you're managing multiple subcontractors or tight schedules. Fast dumpster delivery means your crew never waits long to dispose of waste, keeping the jobsite safe and efficient.

Booking Made Easy: Use the Online Booking or Call Directly

When you're ready to reserve your dumpster near Kempsville, D.E.M.M. DUMPSTERS LLC offers two main ways to book:

1. **Online booking:** Visit their website at demmdumpsters.com for an easy, streamlined experience where you can see pricing, select your dumpster size, book rental periods, and schedule delivery dates all from your screen.
2. **Phone calls:** Prefer to speak with a live person? Calling their local number connects you directly to knowledgeable staff who understand the Kempsville and Virginia Beach area well — perfect if you have questions or unique project needs.

Both options provide clear pricing breakdowns with no hidden fees and quick confirmation, so you can count on the dumpster being onsite exactly when and where you need it.

What's Included With Your Dumpster Rental?

When renting from D.E.M.M. DUMPSTERS LLC near Kempsville, here's what their pricing typically includes:

- **Delivery and Pickup:** The driver drops off your roll-off at the agreed-upon location and returns to pick it up when you're done.
- **Disposal Fees:** All charges for waste hauling and landfill tipping are included within the weight allowance of your rental.
- **Weight Allowance:** Each dumpster rental includes a specific number of tons (usually around 1-2 tons depending on size) of debris - enough for typical projects.

If your project generates more weight than included, overage fees apply, but these costs are transparent from the start. It's all part of creating a stress-free rental experience.
