For those curious about why this virtual airplane has actually captured the hearts of Kenyan punters, this comprehensive guide explores how the game works, methods gamers utilize, and how to enjoy it responsibly.

What is the Aviator Game?

Established by Spribe, Aviator is a social multiplayer game belonging to the "crash game" category. Unlike traditional slot makers with spinning reels or table video games with complex rules, Aviator is developed around an increasing curve that can crash at any time.

The premise is simple:

1. **A plane removes**, and with it, a multiplier coefficient starts to increase.
2. **Players place one or two bets** before the round begins.
3. **The goal is to squander** before the lucky aircraft flies away (crashes).
4. If a player cashes out in time, they win their stake multiplied by the current coefficient. If the aircraft flies away before they cash out, the bet is lost.

This blend of timing, psychology, and danger management has actually made it a staple throughout almost every significant betting site in Kenya.
