The Mara is split into detailed photographic zones. The Musiara and Sekenani areas deliver classic lion and cheetah scenes on open grass. The Mara river line is ***4 day Masai Mara family trip*** for crossings and hippo.

The Talek quarter is strong for 4 day masai mara safari leopard in riverine forest. Northern conservancies be offering off-highway get admission to and night drives, which the reserve prohibits.

Plan around easy: two drives day-by-day, with midday for shuttle or relax. Avoid chasing sightings that require racing other autos. Work with a aid who is aware positioning and staying power. Photographic itineraries are at %LINK%.
