Types of Civil War Flags

Flags from this era varied radically in layout and reason. Two time-honored forms emerged at some point of the battle: countrywide flags and fight flags.

National Flags

The national flag for the Union used to be generally known as the "Stars and Stripes," featuring thirteen stripes representing the normal colonies and stars that multiplied with every single new nation admitted to the Union. This flag served as a unifying symbol for Northern forces throughout the warfare.

In comparison, Confederate states adopted various designs for his or her country wide flag over time. The first official Confederate flag become which is called "the Stars and Bars," which appeared much like the Union flag however had three horizontal stripes in crimson, white, and purple with a blue canton containing stars representing seceded states. However, its similarity to the U.S. flag caused confusion on battlefields.

Battle Flags

Battle flags played a mandatory role in aiding troops title friend from foe amidst chaos. The maximum iconic changed into per chance the Confederate conflict flag, most commonly known as "the Southern Cross." Its distinctive design featured a blue saltire (diagonal cross) embellished with white stars on a crimson background. This brand have become synonymous with Confederate identity over the years.

Historically talking, these fight flags had realistic considerations too; they needed to be visible from fine distances even though remaining particular ample to prevent confusion in fight scenarios. Regimental flags primarily bore one of a kind insignia or numbers denoting certain gadgets or brigades.

The Craftsmanship Behind Civil War Flags

The construction activity for these flags various extensively based mostly on accessible materials and geographic position. Many have been fabricated via volunteers or neighborhood females's companies by way of whatever thing supplies they could scavenge or have the funds for.
