- **Pachinko:** Appears 2 times on the wheel.
- **Coin Flip:** Appears 4 times on the wheel.

- **Crazy Time:** Appears 1 time on the wheel.

The Magic of the Top Slot

Above the primary cash wheel sits the **Top Slot**, a tiny two-reel slots that spins simultaneously with the wheel.

1. **Reel 1** displays among the wagering alternatives (a number or a reward video game).
2. **Reel 2** display screens a random multiplier (varying from 2x as much as 50x).

If the horizontal line in the Top Slot lines up a bet with a multiplier, that multiplier uses to that particular outcome for the upcoming spin. If the main wheel lands on that outcome, any wins for that round are boosted by the multiplier. If a perk round is activated with a Top Slot multiplier attached, the starting multipliers inside the bonus offer video game are instantly multiplied by that figure.

Diving Into the Four Bonus Rounds

The true heart of Crazy Time lies in its four benefit games. Activating among these rounds transfers gamers from the main studio into a distinct enhanced reality mini-game.

1. Coin Flip

The most basic of the perk rounds. A coin with a red side and a blue side is turned by a mechanical arm.

- Before the flip, random multipliers are appointed to both the red and blue sides.
- Whichever side lands face up wins the multiplier for the taking part gamers.
- If the multipliers are low, a "Rescue Flip" can in some cases be activated, offering players another opportunity at higher benefits.

2. Money Hunt

This reward video game features a massive screen displaying 108 random multipliers concealed behind shooting gallery symbols (like a cactus, a target, or a duck).

- Players use an on-screen crosshair to intend and shoot at one sign before the timer runs out.
- When time expires, all symbols expose their surprise multipliers, and the player receives the multiplier behind their picked target. Every gamer gets to pick their own spot, indicating different gamers can win various amounts.

3. Pachinko

Influenced by the standard Japanese arcade video game, Pachinko features a radiant, vertical board filled with physical pegs.

- The host drops a puck from the top of the board.
- The puck bounces randomly down through the pegs till it lands in one of the multiplier zones at the bottom.
- If the puck arrive on a "**Double**" value, all multipliers at the bottom of the board double, and the puck is dropped once again, causing possibly huge payments.

4. Crazy Time

The ultimate bonus offer round takes gamers behind a red door into a surreal, whimsical virtual world including a massive, 64-segment wheel.

- Players should select among three flappers: **Green, Blue, or Yellow**.
- The host spins the huge wheel.
- Whichever section the chosen flapper points to when the wheel stops is the reward awarded.
- The wheel consists of **"Double"** and **"Triple"** segments. If a flapper arrive on one of these, all multipliers on the wheel double or triple, and the wheel is spun once again. This is where the game's famous 20,000 x max multiplier can be attained.

Techniques and Tips for Playing Crazy Time

While Crazy Time is essentially a game of opportunity figured out by a random number generator (RNG) and physical physics, players often use particular methods to manage their bankroll and customize their experience.

Popular Playing Approaches

- **The Low-Risk Strategy (Grinding Numbers):**
 - Focus greatly on banking on **1** and **2**.
 - These numbers inhabit the bulk of the wheel, meaning they hit regularly.
 - This method will not yield over night fortunes, but it extends playtime and keeps the bankroll reasonably stable.
- **The Bonus Hunter Strategy:**
 - Place small bets specifically on the 4 perk rounds (**Cash Hunt, Pachinko, Coin Flip, Crazy Time**).
 - Because bonus rounds appear on just 9 out of the 54 sectors, this technique requires patience and a resistant bankroll, as dry spells can take place. Nevertheless, it places the gamer to record the biggest payments when the bonuses struck.
- **The Balanced Approach:**
 - Cover a mix of numbers and bonus rounds. For instance, putting little bets on numbers to keep your balance while wagering on specific bonus offer video games to keep the excitement alive.

Finest Practices for Bankroll Management

- **Set a Budget:** Decide how much you want to invest before you begin playing, and never ever chase losses.
- **Understand the RTP:** Keep in mind that number bets generally offer a greater RTP than perk bets, but bonus offer bets offer considerably greater volatility and optimum win potential.
- **Take pleasure in the Entertainment:** Crazy Time is a live entertainment show primarily. Deal with any wagers as the cost of admission for an interactive show.
