FAQ About Dumpster Rental

What size dumpster do I need for a home renovation?

For home renovations in Phoenix, a 10 to 20-yard dumpster is typically recommended. A 10-yard dumpster can hold about three pickup truck loads, while a 20-yard dumpster can handle about six pickup loads, making them ideal for medium to large projects.

How long can I keep a rented dumpster?

Most companies in Phoenix allow you to rent a dumpster for a period ranging from 5 to 14 days. However, extensions can often be arranged if you need additional time, usually for an extra fee.

What items are prohibited in dumpster rentals?

In Phoenix, prohibited items usually include hazardous waste, electronics, tires, and certain appliances. It's important to check with the rental company for a complete list of prohibited items to avoid extra fees.

Do I need a permit for a dumpster rental in Phoenix?

In Phoenix, a permit may be required if the dumpster will be placed on a public street or sidewalk. It's best to consult with your rental company or the city to determine if you need a permit for your specific situation.

Types of Dumpsters Available

Prairie Dumpster Rental offers a variety of dumpster sizes to meet your project's unique needs. For residential projects, smaller 10-yard dumpsters are ideal for cleanouts or small renovations. If you're tackling a bigger job, our 20-yard options are perfect for larger remodeling or landscaping projects. For construction sites, we provide 30

cubic yard size dumpsters, suitable to handle heavy debris and larger volumes of waste. Having the right size dumpster is crucial for efficient waste disposal.
